THE SCHOOL NEWS

Successful Entertainment by High School Pupils. Reorganization of School Board. School Picnic.

(Communicated.)

The comedy entitled "A Regular Fix" was presented by the high school pupils to a large audience at the Globe opera house last Saturday night, and it proved to be one of the most interesting entertainments that has been given this season. Among the young gentlemen who took part in the play were Frank Langan, Fred Jones, Tom Opie, Tom Fegan, Fred Briggs and Augustus Fraser, and they were very ably assisted by the following young ladies: Elsie Ferguson, Alice McMurran, Nellie Stevens and Miriam McNelly. All of the characters were well sustained and the young people deserve great credit for their efforts. Special mention, perhaps, should be made of Frank Langan and Nellie Stevens who had very difficult parts to sustain and showed themselves fully equal to the situation. Frank has real dramatic talent and we predict for him a bright future on the stage should he turn his talents in that direction.

Preceding the opening of the play and between the scenes several special numbers were given of a high order that we can not pass over without comment. The opening overture by Prof. Kilander's orchestra was a very beautiful selection entitled "Cypress," which was well received and rapturously applauded. This was followed by Eddie Dawkins with a beautiful violin solo entitled "File du Regiment," which showed artistic execution as well as careful training, and his parents have reason to feel proud of his musical accomplishments. Miss Pearl Lady recited with a great deal of art and feeling "The Mountain Tragedy," which reflected credit on herself as well as on her teacher, who so carefully trained her for the undertaking. At the close of the recitation Annie Stevens sang in a very touching manner the selection entitled "Pray With Me."

After the close of the first scene Prof. Kilander and Miss Walton favored the audience with a very fine violin and piano duet, which was heartily enjoyed again and again until another selection was given. Prof. Kilander is a musician of high rank and the people of Globe are quite fortunate in having him with them.

The next number was a very beautiful vocal solo by Julia Woods, which received a hearty encore and to which she very graciously responded. Julia has talent of a high order and a sweet voice that can not fail to please even the most fastidious.

The program closed with a selection by the mandolin club which proved to be one of the most popular numbers of the evening. The club is to be congratulated on its success and we hope to have the pleasure of listening to it again at no very distant date. The door receipts amounted to \$61.10 and the expenses of the entertainment were \$18.75; there remains to the credit of the library fund \$42.35. The management of the school and the members of the school library association desire to thank the people of Globe for their patronage and for this evidence of their good will.

The members of the school library association organized this week by electing Fred Jones, president; Lester Allison, vice-president; Leslie Hitchcock, treasurer, and Pearl Lady, secretary.

A meeting of the school board was held last Monday night and a reorganization effected for the coming year. Mr. G. M. Allison, who has made such a faithful and efficient trustee for the past three years and has served as chairman of the board during all that time, retired, and Mrs. A. G. Pendleton who was recently elected trustee qualified in his place. Mr. Allison thanked the board for their co-operation with him in his efforts to build up the schools of Globe and assured its members that in the future they could count on his sympathy and advice whenever needed. On motion of Mr. Williams and Superintendent Wilkinson, a vote of thanks was tendered Mr. Allison for his past services as well as for any that might be rendered in the future.

A reorganization of the board was then effected and Mr. F. L. Jones was selected chairman and clerk of the board.

The petition of the Athletic association praying for the use of the school grounds as an athletic park was then taken up and discussed at some length. The petitioners in return for the use of the grounds offer to grade the same free of cost to the board and put it in first class condition and to provide the same with all necessary facilities for playing all kinds of ball games. It is also proposed to build a gymnasium on the west side of the grounds to which the pupils of the school as well as the members of the association will have access.

After some discussion the board decided to accept the proposition of the Athletic association and Mr. F. L. Jones was appointed as a committee of one to confer with the district

attorney and in conjunction with him to draw up a suitable lease covering all points at issue.

Superintendent Wilkinson was instructed to correspond with all teachers who are applicants for positions in the Globe schools and to take some steps towards securing uniformity in the applications filed. About one hundred applications have been received at this writing and nearly every mail brings additional ones.

At the request of the Athletic association and numerous citizens the date for the school picnic has been changed to Sunday, April 19. A special train will be chartered for the occasion and will leave Globe for Fort Thomas at 6:30 a.m. Superintendent Beal promises to furnish ample accommodations for all who desire to go. The excursion and the picnic will be given under the joint management of Superintendent Wilkinson and Alexander Brothers. Transportation from Fort Thomas to Hot Springs will be furnished at the rate of 25 cents each for the round trip to adults and 15 cents to school children. Round trip tickets may be purchased in Globe including the stage transfer both ways at the rate of \$1.75 for adults and 90 cents for children. Tickets may be procured of Superintendent Wilkinson or Mr. John Alexander at the Globe Commercial Co. on or after Saturday, April 11. Music, games and sports will be provided for the occasion, and an enjoyable trip may be expected by all who go. The large three-story hotel recently completed at the Springs will be open on that date and visitors will be allowed free access to the same and its grounds. Those who wish meals at the hotel would do well to notify the management in advance so that ample accommodations may be provided.

Resolved further, That we will cherish his memory, endeavor to emulate his virtues, cultivate his cheerful nature, and, like him, endeavor to be found on duty when the summons comes to each one of us.

Resolved further, That our charter be draped in mourning, in respect to his memory, for a period of thirty days.

Resolved, That our sympathy be extended to his bereaved relatives, and that a copy of these resolutions be sent to them, a copy ordered published in the city papers, and a copy spread upon our minutes.

Serious Charges Against Local Cowmen.

Joe and Jim Hinton, Wm. Brewer, Cy Blevins, John Haskell and Jack Cornett voluntarily appeared in Justice Carico's court on Monday last to answer to a complaint filed by J. E. Wise, one of the owners, and the local manager of the "Flying H" brand of cattle, running on Cherry creek. Jim Hinton pleaded guilty to mutilating a hide before it was inspected, and was fined \$25. The charges against the other defendants were dismissed, except as to Blevins, who was fined \$10 for carrying a sixshooter within the town limits.

On Tuesday other complaints were sworn out by Mr. Wise against Joe Hinton, Brewer, Cornett, Haskell and Blevins, charging them with stealing the cattle of the complainant and his partners, A. L. Hobson and W. A. Hobson.

Undersheriff Pollard Pierson and Ranger R. L. Anderson left for Cherry creek yesterday morning to make the arrests. They returned this afternoon accompanied by the defendants.
